Jessy - Head over heels

The phone rings and my heart freaks out
Spinning till I touch the ground
Counting the days till you'll be mine

You're perfect, like a fantasy
The words sound like a melody
In a song that is written just for me

Chorus:
Head over heels, I'm falling in love
Give me a shot, cause I can't get enough, oh no
of this wonderful feeling that you provide
I know that it's wrong but it feels so right
Head over heels, I'm falling in love

I see you when I close my eyes
In my dreams, I romanticize
Every waking moment by your side

I feel you though you're not around
Forever you are on my mind
But when will my feet touch your solid ground

Chorus:
Head over heels, I'm falling in love
Give me a shot, cause I can't get enough, oh no
of this wonderful feeling that you provide
I know that it's wrong but it feels so right
Head over heels, I'm falling in love

I'm falling into you, I'm falling into you
I'm falling into you

Chorus:
Head over heels, I'm falling in love
Give me a shot, cause I can't get enough, oh no
of this wonderful feeling that you provide
I know that it's wrong but it feels so right
Head over heels, I'm falling in love
