At first when you walked by my house
I never realised
That you were gonna change my life
You caught me by surprise
We talked, we laughed, we played, we stayed
Together since that time
And now you've got me flying high
On cloud number nine

-

CHORUS (2x)
I'm so stuck on you
Every day of my life
I'm so stuck on you
From morning till night

-

I can see heaven in your eyes
You've got me hypnotized
I walk in circles, I'm so high
This is paradise
I dream, I scream, I feel it's real
This love we have right now
And I'm convinced with all my heart
It's gonna last a lifetime

-

I have fallen for your charms
And I can't wait for more
This is such a perfect crush, romantic bliss
It's what I have been dreaming of

-

CHORUS (2x)
I'm so stuck on you
Every day of my life
I'm so stuck on you
From morning till night

-

I have fallen for your charms
And I can't wait for more
This is such a perfect crush, romantic bliss
It's what I have been dreaming of

-

CHORUS (2x)
I'm so stuck on you

Every day of my life
I'm so stuck on you
From morning till night

-

I'm so stuck on you
From morning till night...
I am so stuck on you
Every day of my life...
I am so stuck on you
From morning till night...
I'm so stuck on you
Every day of my life...
