[music by Stefan Schmidt & Bastian Emig, lyrics by
Stefan Schmidt]

Really many years ago, someone tried to recreate his
world destroyed decades ago. That someone it was
me, I thought of love and human nature, trees and
lakes and sympathy.

Tears
When it rains you feel the same
Tears
But in the end only my memory remains

Hear my Astrocry Somewhere lost in Space

Lost, without the chance to feel. Killing machines,
believers and betrayers said they're hailing me. And
what I finally got to see, I made wars and violation,
guns, revenge, hypocrisy.
