Music by Stefan Schmidt & Bastian Emig, lyrics by  
Stefan Schmidt

You sleep so tight. Your thoughts can be somewhere on  
this planet e. And no one can tell you where you do  
belong.

As far as dreams go down on earth you should be far  
away. You realise the more things change the more  
they stay the same.

Sleep so tight, your thoughts can be. I say something  
changed your name to Frozen Angel. Come to me. I  
know nothing will take the dream away.

Years have passed and still you're gone. Still I know  
where you are from. And no one can tell me where my  
dreams belong.

As far as life goes down on earth I know you're far  
away. But someone in this world will cry when you'll be  
back again.
