Music by Stefan Schmidt & Bastian Emig, lyrics by
Stefan Schmidt

I am someone who tries not to explain I'm a fallen one.
Is there anyone who gives me a name? And there she
comes.

Through dust I see something moving towards me and
into my life. From dusk 'til dawn I feel my self is
growing strong. I start to fly.

Here comes the light of dawn. A message from the
sun: "These are your places to be. Places for infinity."

When forgotten thoughts come back to my life I seek
for the path. I recall forgotten chapters to my mind,
taught in the dark.

Through dust I see again she's moving towards me
and into my life. From dusk 'til dawn I feel my self is
growing strong. I'm still alive.

Still I can't understand why I am allowed to see those
peaceful lands and all about the way it's gonna end.
