Music by Stefan Schmidt & Bastian Emig, lyrics by  
Stefan Schmidt

My sense to be: Sticking to a surface below my feet.  
And when the day is done again I am a witness of  
setting suns.

And then I hear your call inside my narrow walls,  
pretending doors are open.

Stay awake - Insomnia  
Face your fate - Insomnia  
Stay alive - Insomnia  
One more night - Insomnia  
My soul explodes because I know that distance is  
getting near. I will get away over hills so high and  
across the sea.

A landscape beyond my mind is waiting. I burn inside.
