[music by Stefan Schmidt & Bastian Emig, lyrics by  
Stefan Schmidt]

The growing conflict I am burning in rising up to walls  
that crush down crumbling when I'm within. These tears  
that sorrow calls.

I am falling down to meet my end lost in time.  
Never I'll be coming back again back to light.

There comes the one to make things undone.  
As he reigns on, better days come.  
Marching on, straight to the sun.  
Jester's empire fills the calm with storm. Let thy  
kingdom come

Walking through the fields of nevermore I meet you  
again at the bottom of a cold black shore. The Jester  
strikes again.
