Music by Stefan Schmidt & Bastian Emig, lyrics by
Stefan Schmidt

I have seen a million places, a thousand faces that are
passing by. And I thought I knew them all from the
other side.

This story ends tonight.

Tonight they rise again to stand alone. And when the
sun comes nearer everyone will fear her, she's the one
who took the shadows far away.

They have seen a million places, a thousand faces that
are passing by. But never they could turn away, and so
they screamed their silent cry.

This story ends tonight.
