Music by Stefan Schmidt & Bastian Emig, lyrics by
Stefan Schmidt

I hear raindrops falling and I look out of my window.
What do I see? A world drowned in wet security. Cause
this night will end as the nights before. And still I
wonder what could be worth waiting for.

Still I do believe in a bright tomorrow. The faith I try to
keep lives for a bright tomorrow. But in nights like this I
think of grief and sorrow. I wonder will I be in your heart
tomorrow.

I remember words and what they meant to me: "Seize
the day" they said and clothed me in mortality. Cause
what is today without a tomorrow? And so I sit here
waiting for sunlight to glow.

I look up to a cloudy sky. Yes, inside of me, there's
great belief.
