Got no direction, no resurrection
Got no religion, no space to live in
This institution, filled with pollution
Got no evolution, I got no solution

Well, baby, I get high
If you help me to get by
Baby, I'm insane
I crucify my brain

Too much deceiving
Nothing to believe in
I get no reaction
And no satisfaction

No satisfaction
No satisfaction
No satisfaction
No satisfaction

Don't need love
Don't need drugs
I don't need Jesus
Don't need anybody

Don't need anybody
Don't need anybody
Don't need anybody
But myself
