Gimme hell, gimme hell, gimme hell
She said as she fell
Tongue tied, tongue tied, tongue tied
She could never lie, so come on

So come on little sugar let me get your soul
Dig deep crazy like a success show
She can't bawl and she can't shout
And she can't bawl and fuck it out and, so come on

Gimme hell, she gives me hell
I'm fucked up anyway
Well I've been good and I've been mean
And I've been looking for a coke machine, so come on

Yeah, yeah so come on
Yeah, yeah so come on
Yeah, yeah so come on
Oh
