God help me through this day  
God please help me through this day  
I'm blind can't see the way  
God please help me through this day

I can't take it  
I just can't take it anymore

God help me through this day  
God please help me through this day  
I'm blind can't see the way  
God illuminate this day

I can't take it

I just can't take it anymore

I've been waiting longtime  
I've been waiting longtime  
I've been waiting too long  
To see the light
