Walk away
You empty head
You're late she says
Your blonde head
Your blonde head

So you knock at the door
The beat of your heart
Your cold empty heart
Your cold empty heart

I think you're crawling up my spine
I think you're crawling up my spine

Hey, hey, hey
Hey, hey, hey
Don't you stay
Want you to stay

Hey

Walk away
You empty head
You're late she said
Your blonde head
Your blonde head

So the knives on the street
There's a man on your cross
Cold empty cross
Cold empty cross

I think you're crawling up my spine
I think you're crawling up my spine

Hey, hey, hey
Hey, hey, hey
Want you to stay
Don't want you to stay

I walk away
I walk away

I walk away from your head

Off from your head
Off from your head
Hanging from your head

I walk
I walk
I walk
Your head
Your head

From your head
From your head
From your head
From your head

[Incomprehensible]
