I can't get enough of you
God gave me strength and I gave it to you
I've got sticks in my spine but what can I do
I can never, ever, ever get enough of you

You're my kind, you're my kind
Honey, you're so cool, you're so cool
You're my kind, you're my kind
You'll be the death of me, you'll be the death of me

Something to do, something to hold
I won't come until I've been told
Give me a kick, give me it quick
Gimme, gimme, gimme till I'm sick

You're my kind, you're my kind
Honey, you're so cool, you're so cool
You're my kind, you're my kind
You'll be the death of me, you'll be the death of me
You'll be the death of me

Can't get enough
I can't get enough, I can't get enough
I can't get enough, I can't get enough
I can't get enough, I can't get enough
