sung by Jim

I had trouble but I found my star  
I found myself an electric guitar  
Well I was some kind of messed up kid  
Now look what you did  
Look what you did  
You made me, yeah  
You make me, yeah

Well I'm not preaching or making a case  
I'm not trying to make the world a better place  
Well I ain't evil, but I ain't good  
I did what I could  
I did what I could  
To save me, yeah  
To save me, yeah

I love rock'n'roll  
I love what I'm do-ooing  
I need rock'n'roll  
Gets me where I'm going

Don't need money if you've got soul  
And it don't matter if you're young or you're old  
Well I don't worry what the people say  
They say what they say  
I go my own way  
But that's me, yeah  
It suits me, yeah

I love rock'n'roll  
I love what I'm do-ooing  
I love rock'n'roll  
Gets me where I'm going

Don't need anyone  
Don't need anything  
Don't need anybody  
I need rock'n'roll
