Take a walk to the beach
Take a walk back to the sea
Take a walk with me back to the beach
I take a walk with you, just out of reach

Just out of reach, just out of reach
Just out of reach, just out of reach

I see the sun here, I see the sand
I see the sun here, you take my hand
You take my hand, you take my hand
You take my hand, [Incomprehensible]

Just out of reach, just out of reach
Just out of reach, just out of reach

You take a walk with me back to the sea
You take a walk with me back to the beach

Just out of reach, just out of reach
Just out of reach, just out of reach

I see the sun on you, I see the sand
I see the sun on you, you take my hand
You take my hand, you take my hand
Back to the sand [Incomprehensible]

Just out of reach, just out of reach
Just out of reach, just out of reach
Just out of reach, just out of reach
Just out of rea, ah

You take a walk, back to the beach
I take a walk, just out of reach

I see the sun, I see the sand
I see the sun, just take my hand
I see the sun here, I see the sand
I see the sun here, just take my hand
Just take my hand

But where it was, I see the sand

Just out of reach, just out of reach
Just out of reach
