I love baby and she loves me  
I lost my baby in the deep blue sea  
I'm gonna turn my trick  
Gonna blow your head  
???  
Til I'm almost dead

I'm gonna kill surf city with a loaded gun  
Got to ? surf city like a nuclear bomb  
I'm gonna fight surf city, got to get it down  
I'm gonna kill kill get it down  
I got to get, get, surf city

I hate honey and she hates me  
But that's the way it's supposed to be  
I'm gonna run, gonna run till I hit the sun  
Some evil cunt's gonna get my gun

I'm gonna kill surf city, got to get me a gun  
Got to fry surf city with a nuclear bomb  
Got to get them all day  
?  
?

I'm gonna ?  
surf city

Here she comes now

?

Down to the back where the ? came from

I've gotta sit that mother down

Somebody knows me and I know them

Fuck fuck

?
