Deep one perfect morning  
As the sun is heading up  
Into the sky

And I'm sitting here warming  
To the coldness of the things  
That meet my eye

Something in me's stirring  
And the moon and all the stars  
Fail to comply

And my thoughts are turning backwards  
And I'm picking at the pieces  
Of a world that keeps turning  
The screws into my mind

Something in me's chilling  
And nothing in me's willing  
To focus my attention on the sky

Past the weakened eyes  
That feel and scream  
Into your soul

Better to paint my hate  
On the walls  
Before the picture goes

And my thoughts are turning backwards  
And I'm picking at the pieces  
Of a world that keeps turning  
The screws into my mind

And I can see a wide world  
For me to tame  
I can see a wide world  
For me to tame

For me to tame  
For me to tame  
For me to tame

For me to tame
