"Sowing Seeds"

I see people going down
All gods people going down
And I should not be alone
And I should be on my phone
Yes I should be on my phone
Yes I should be on my phone

I'll go where that apple goes
I touch with an apple touch

I see people
Candy people

I'm sowing seeds
I'm sowing seeds

I feel as sharp as a carving knife
So I feel in love for the very last time
I'm sick of the beating by everyone
I'm sick of the beating by everyone
I want peace
I want peace
I want peace
I want peace

I'm sowing seeds
I'm sowing seeds
I'm sowing seeds

I'm sowing seeds
I'm sowing seeds
