Did you do it good?
Did you do it right?
Did you get that pain
Crawling up your spine?

Did you feel the heat
Of my sugar ray?
Swear I saw that light
Shining on your face

All my friends have fun with guns
But all I want is you, all I want is you
All I want

Did you read my poem?
Did you get my poem?
Did it break your bones?
Almost broke my bones

Did you feel my lips?
Did they slide and slip?
Did you feel my head
Shaking through your wrist?

Sugar through your ray
All those boys have fun with sores
But all I want is you, all I want is you
All I want is you

Darling, you're so good
Oh, it felt so good
Did you feel that heat?
Did you feel the heat?

Of my sugar ray
Sugar ray
I almost died
Died, died, died, died

Come enjoy
All I want is you, all I want is you
All I want

Baby, baby, baby, give me, yeah
Baby, give me, baby, give me sugar ray, sugar ray
Baby, give me, baby, give me, yeah
Baby, give me, baby, give me sugar ray
