

Jesus And Mary Chain "Take It"

She could take my time and that's okay
You got to get right down and show me what's the way
I got what she gives me and that's okay

Shake up baby, and wake up to what is real
Stand up tall to shout out what she feels
What she don't, she don't have time to steal
C'mon, baby

Well, she could take my time and that's okay
You got to get right down and show me what's the way
I got what she gives me and that's okay

I got what she gives me and that's okay
She gives me what I need and that's okay
She gives me what I need and that's okay

[Incomprehensible]
