We're moving 'round and 'round
Can't hear a single sound
And when I hit the ground
I heard a ringing sound
Uh, huh, huh

I heard a ringing sound
And my head hit the ground
Uh, huh, huh
Inside I'm upside down

You live with so much carelessness
'Cause no one takes you serious
That makes you feel so dangerous
You never was but you can't see

And if you feel there's no one else
You're all alone, you're by yourself
Your life is like a broken shell
It really doesn't matter to me

Doesn't matter to me
Doesn't matter to me
Knowing you can't see

Inside I feel so bad
So low, I feel so sad
Feels like I'm going mad
Best friend, I've ever had
Uh, huh, huh

Feels like I'm going mad
Best friend, I've ever had
Uh, huh, huh
So low, I feel so sad

You live with so much carelessness
'Cause no one takes you serious
And now you think you're dangerous
You never was but you can't see

And if you feel there's no one else

You're all alone and by yourself
Your life is like a broken shell
It really doesn't matter to me

Doesn't matter to me
Doesn't matter to me
Knowing you can't see

Upside down, upside down
Upside down, upside down
Upside down, upside down
Upside down, upside down
Upside down, upside down
