Mary Magdelene

I've been living to see you

Dying to see you but it shouldn't be like this

This was unexpected, what do I do now?

Could we start again, please.

I've been very hopeful so far

Now for the first time I think we're going wrong

Hurry up and tell me this is just a dream

Could we start again please

Peter

I think you've made your point now

You even gone a bit too far to get the message home.

Before it gets too frightening we ought to call a halt

So could we start again please
