CAIAPHAS We've been sitting on the fence for far too long

ANNAS Why let him upset us?  
Caiaphas - let him be  
All those imbeciles will see  
He really doesn't matter

CAIAPHAS Jesus is important  
We 've let him go his way before  
And while he starts a major war  
We theorize and chatter

ANNAS He's just another scripture-thumping hack from Galilee

CAIAPHAS The difference is they call him king - the difference frightens me  
What about the Romans  
When they see king Jesus crowned?  
Do you think they'll stand around  
Cheering and applauding?

What about our people  
If they see we've lost our nerve?  
Don't you think that they deserve  
Something more rewarding?

ANNAS They've got what they want - they think so anyway  
If he's what they want why take their toy away?  
He's a craze

CAIAPHAS Put yourself in my place  
I can hardly step aside  
Cannot let my hands be tied  
I am law and order

What about our priesthood?  
Don't you see that we could fall?  
If we are to last at all  
We cannot be divided

ANNA Then say so to the council  
But don't rely on subtlety  
Frighten them or they won't see

CAIAPHAS Then we are decided?

ANNA Then we are decided.
