Good Caiaphas, the council waits for you  
The Pharisees and priests are here for you  
Ah gentlemen, you know why we are here  
We've not much time, and quite a problem here

Hosanna, Superstar  
Hosanna, Superstar  
Hosanna, Superstar  
Hosanna, Superstar

Listen to that howling mob of blockheads in the street  
A trick or two with lepers, and the whole town's on its  
feet

He is dangerous  
Jesus Christ Superstar  
He is dangerous  
Tell us that you're who they say you are

That man is in town right now to whip up some support  
A rabble rousing mission that I think we must abort

He is dangerous  
Jesus Christ Superstar  
He is dangerous

Look Caiaphas, they're right outside our yard  
Quick Caiaphas, go call the Roman guard  
No, wait  
We need a more permanent solution to our problem

What then to do about Jesus of Nazareth?  
Miracle wonder man, hero of fools  
No riots, no army, no fighting, no slogans  
One thing I'll say for Him, Jesus is cool

We dare not leave Him to His own devices  
His half-witted fans will get out of control  
But how can we stop him? His glamor increases  
By leaps every minute, He's top of the poll

I see bad things arising

The crowd crown Him king  
Which the Romans would ban  
I see blood and destruction  
Our elimination because of one man  
Blood and destruction because of one man

Because, because, because of one man  
Our elimination because of one man  
Because, because, because of one  
'Cause of one, 'cause of one man

What then to do about this Jesus mania?  
How to we deal with a Carpenter King?  
Where do we start with the man who is bigger  
Than John was when John did His baptism thing?

Fools! You have no perception!  
The stake we are gambling are frighteningly high  
We must crush Him completely  
So like John before Him, this Jesus must die

For the sake of the nation, this Jesus must die  
Must die, must die, this Jesus must die  
So like John before Him, this Jesus must die  
Must die, must die, this Jesus must, Jesus must, Jesus  
must die
