#### Verse 1:

Let our praise be a highway  
Fill this place oh King of glory  
Touch our cities and fill Your people  
A new day dawning, You are shining like the sun, arising  
You awaken me, You awaken me.

#### Pre-Chorus:

Eyes to see and ears to hear You calling  
Our hearts respond to Your Spirit falling

#### Chorus:

You're awakening our hearts to Your kingdom  
Heaven is falling as we are declaring Your name  
We sing it loud with all of our passion  
King of glory, come and fill this place.

#### Verse 2:

Let our lives speak  
A pure reflection of You, King of glory  
Shine Your light on us, bless Your people  
A new song rising, joined by the sound of heavens praise  
You awaken me, you awaken me.

#### Bridge

Come, like you promised  
Come, fall upon us (4X)
