Verse 1:

I'm after your heart
Why should I be still
When the worship starts, Lord
I'm so in love with you
What can man do
Can't hold me back anymore

Verse 2:

You spin over me
And you are pleased
When i spend myself on you
I'm gonna let go now
Really worship
Letting my dance come forth

Chorus:

Dance, dance
Let the spirit move you
Dance, dance
Holy spirit in you

Verse 3:

Turned my mourning into dancing
My heart is overjoyed
I will praise you God
Healed my body and you made me new
My heart is overjoyed
I will dance for you
Gave me love that broke out fear
My heart is overjoyed
I will shout to you
I will praise
I will Dance
I will shout for you for you

Dance, dance
Let the spirit move you
Dance, dance
Holy spirit in you
