Higher than the mountains that I face
Stronger than the power of the grave
Constant through the trial and the change
One thing remains
One thing remains

Your love never fails it never gives up it never runs out
on me

On and one and on and on it goes
It overwhelms and satisfies my soul
And I never ever have to be afraid
One thing remains

In death and in life I'm confident and covered by the
power of your great love
My debt is paid there's nothing that can separate my
heart from your great love
