You won't relent until You, have it all
My heart is Yours
You won't relent until You, have it all
My heart is Yours

I'll set You as a seal upon my heart
As a seal upon my arm
For there is love that is as strong as death
Jealousy demanding as the grave
And many waters cannot quench this love

Come be the fire inside of me
Come be the flame upon my heart
Come be the fire inside of me
Until You and I are One

I don't want to talk about You
Like You're not in the room
I want to look right at You
I want to sing right to You
