Nothing can separate
Even if I ran away
Your love never fails

I know I still make mistakes
But You have new mercies for me everyday
Your love never fails

Chorus:
You stay the same through the ages
Your love never changes
There maybe pain in the night but joy comes in the
morning

And when the oceans rage
I don't have to be afraid

Because I know that You love me
Your love never fails

Verse 2:
The wind is strong and the water's deep
But I'm not alone in these open seas
Cause Your love never fails

The chasm is far too wide
I never thought I'd reach the other side
But Your love never fails

Bridge:
You make all things work together for my good
