(J. Roberts)

the bathrobe guy is the new baby now  
the bathrobe guy arm wrestled a cow  
way down in the park  
head let out a bark  
and everyones gleaming  
from the toilet cleaning  
i dont know why you say  
i cant go outside to play  
in the snow  
you know

i'd much rather stay inside  
i'd much rather play inside  
with you  
woo hoo  
the bathrobe guy is the new baby now  
the bathrobe guy got turned into a drow  
got hit by a beam  
of pure shaving cream  
now that we're lubricated  
i want to be sedated
