Ignite the flammable delirious  
The fragrance of the thief  
Inconspicuous  
Application of abrasions on tender skin  
Adapting  
Mental vomiting - spew  
In the face of you  
Architect of the demented specimen  
The volatile synthetic grin  
The third eye sense  
Low life appearance camouflages  
All my vast intelligence  
Framework of thoughts malignant  
Like polluted kingpin tyrants  
Buried in surfactants  
Hidden formulas of the tongue  
My patience dormant  
Unique in assured diversity  
The races irritate  
Vandalize the broken youth in me  
Contaminate  
Nothing in the world can compensate  
Do I look dirty?  
Is thy presence offending thee?  
Hovering above my ego  
Lashing at the policies  
The prestigious  
Contagious  
Womb of the ignorants  
Nostrils in the air  
Unaware of the vice versa  
You close your eyes and condemn me  
For my flaws  
Ill advised you lick the open sores  
Dilemmas swell  
Scenario  
Intensifies  
Ruthless  
Leper king  
Gut the pig with pride  
Split the mind  
Fragments reflect

Friction  
The rivers stray  
No compromise  
Flavor of cuntng persuades  
Cut the leash  
I'm not your fucking dog  
The feverous speech  
The flesh is weak, contained by laws  
They reek of domestic life  
Parading for the Matricides  
Field of probes  
Recycled path  
Carbonated aftermath  
Pulsating  
First man  
Self in hide  
I speak you masturbate  
Curdled breath finds  
The downface shall be seen  
Ingedient of the thieves  
Product of the environment  
And I'm never on my knees  
I beg not.  
I said I beg not  
Intent  
Ashes of a care worn past  
Crippled  
The multitudes in flocks  
Deep in the flow how long does it hold?  
Fiend  
The negative shall dispose  
Persued by agonies  
Radiate the prophecies  
Seed of irritants  
Exposed to spectacular suffering  
Invade the consequence  
The heart burns  
Social indigestion  
Sour  
Vendettas are in vigorous formation  
Generating filters of perception  
Diagnosed as the notorious seduction  
Stiff  
The scent is hardening  
Mothering is full  
Neglect is stifling  
Contents collapse  
Strength in numbers, deep in pacts  
Vented relentless  
Taste of brilliance - optimist  
Separate between dread

And longing emotion  
Parallels of thought  
Delicate defection  
Mind depleting empathies
