CHAPTER ONE

my love despises hate
and hate despises love
catastrophic tone
transforming the structures
in which we live
activate the severed episodes
different pose
same physique
which one in life does wisdom seek?
the ultimate utility
disturbing the behaviors
in such ways that can't be reached
unless the mold
was cracked a thousand times
enhancing the developments

CHAPTER TWO

awaken
infinite third eye expansion
this thing of ours
holds
stands
firm
steel foundation
deep rooted
fractured skulls are opened

CHAPTER THREE

the temperatures are rising
motivate the self to form
up from the down
exhaust
recycled norm
unaware of the excrements
slapping you down
arrows spewing breathing evolution
cycles astound

plentiful
the years shall go on 365 days
plant the seed
planting the seeds
tap in to the master kingdom
comfort the seas
essence of all the dynasties
arms embracing
the rivers overflow
weaving frames stronger
than mountains
iron whole

CHAPTER FOUR

sluggard
lost all the glimmer in the eyes
lacking luster
gloating with intent
parasite
brittle
vanished
they the vicious
an aftermath of visual sensations
favoring the intelligence
wandering in search of understanding

CHAPTER FIVE

columns of three
parade
increasing with the presence of degrees
designate
constant elevating
mental state
competing with the cattle
sponge, soak, consume
an assortment of the
many flavors that pursue -ac
