It's addiction, it's obsession
It's a need to be me
It's addiction, it's obsession
So I can feel like I'm free

Born in a time that sanctions all desire
I fight my instincts all the way
Drawn to a storm of things I have to have
With patience like other virtues still in the way

It's addiction, it's obsession
It's a need to be me
It's addiction, it's obsession
So I can feel like I'm free

I get enough of things to need them more
Like love and destruction to name but two
It's getting harder telling good from bad
With the senses asking, was it good for you?

It's addiction, it's obsession
It's a need to be me

There's so much I feel I have to have

It's addiction, it's obsession
It's a need to be me
It's addiction, it's obsession
So I can feel like I'm free
