Yes, you know how some things  
Seem like God's gift  
Easy come and easy go  
They disappear before you know it

And in the light of this new day dawning  
We see things a different way  
With such a price on what we say

But I'm so pleased for you  
I'm so pleased  
You have all the answers

Thanks a million for your thoughts on culture  
Please feel free to speak your mind  
Though people say it turns you blind

And did you know  
There's a God here with us  
He knows what is right or wrong  
'Cause He's read the book for far too long

But I'm so pleased for you  
I'm so pleased  
You have all the answers

What do you know about good and evil?  
What do you know about good and evil?  
What do you know about good and evil?  
What do you know about good and evil?

What do you know about good and evil?  
What do you know about good and evil?  
What do you know about good and evil?

So here's a thought while we burn our bridges  
If the pen's not worth the sword  
Then pass the gun and praise the Lord

I'm so pleased for you  
I'm so pleased  
You have all the answers

I'm so pleased for you  
I'm so pleased  
You have all the answers
