Well, let's draw a picture
Have some fun with ourselves
Draw the outlines of the details
When I'm wrong, I'm right

How can I lose?
When my mind
Mind is set I don't expect
I'll need anything from you

I draw what I feel
Doesn't matter if it's real
The truth is no concern of mine
If you laugh at the outline

You're ugly and cruel, you act like a fool
Have you no respect for yourself
I don't care what's in there, you didn't even share
So you can drink to the state of your wealth

I draw what I feel
Doesn't matter if it's real
Truth is no concern of mine
If you laugh at the outline

He thinks the earth is his own, you know
He really should be shown that
The world doesn't live behind his eyes
So if you'll take the first step
I'll take the next, 'cause
The time has come to cut him down to size

I draw what I feel
Doesn't matter if it's real
Truth is no concern of mine
If you laugh at the outline

I draw what I feel
Doesn't matter if it's real
(I draw what I feel)
The truth is no concern of mine
(Doesn't matter if it's real)

I said I draw what I feel
Doesn't matter if it's real
(Truth is no concern of mine)
Truth is no concern of mine
(If you laugh at the outline)

Draw what I feel
Doesn't matter if it's real
(I draw what I feel)
Truth is no concern of mine
(Doesn't matter if it's real)

I said I draw what I feel
Doesn't matter if it's real
(Truth is no concern of mine)
Truth is no concern of mine
(If you laugh at the outline)
