It's okay, it's okay, it's okay

Stand back, look out tomorrow  
Here comes a man without sorrow

I guess it's okay if today's unlike the rest  
And it's okay that I'm not quite at my best  
But if you're lookin' at me to set your mind at ease  
Well, then there's no way, let's just give it all a rest

I know you and all you're thinking  
You know me, you know I'm sinking

Stand back, look out tomorrow  
Here comes a man without sorrow  
Good thing, looks are deceiving  
Quick smile then I should be leaving

And so it's okay that I shouldn't say a word  
And it's okay that what I think is never heard  
But I'm lookin' at you to help me understand  
Why it is okay that I hide behind these words

I know you and all you're thinking  
You know me, you know I'm sinking

Stand back, look out tomorrow  
Here comes a man without sorrow  
Without sorrow, without sorrow

It's okay, it's okay, it's okay

Stand back, look out tomorrow  
Here comes a man without sorrow  
Good thing, looks are deceiving  
Quick smile then I should be leaving

Stand back, look out tomorrow  
Here comes a man without sorrow  
Good thing, looks are deceiving  
Quick smile then I should be leaving

But it's okay, it's okay, it's okay  
It's okay, it's okay
