Just when I thought that our paths would be crossed
I was lost

I thought all that lay between you and me was the sea
I was wrong, that didn't take too long

T.v. scenes are just as they seem I've watched all my
life and never got
Under the skin
Meet my own new friends
Hello, how've you been?

I was lost
I was lost
I was lost
I was lost

In maryland there's nothing to do except sit here alone
And think of you
What would you do?

I was lost
I was lost

I was lost
I was lost

I was lost (maryland)
I was lost
I was lost (maryland)
I was lost

(maryland)

I was lost (maryland)
I was lost
I was lost (maryland)
I was lost

I was lost (maryland)
I was lost
I was lost (maryland)

I was lost
