I need to know  
What will make us happy?  
And I need to know  
Will you always love me?

I need to know  
Where on earth is elvis?  
I need to know  
Why you even listen to this

'cause it's no good  
Taking second best

I need to know  
Where all the energy goes  
And I need to know  
Are there really u.f.o.s?

'cause it's no good  
Taking second best

It's no good  
When you put it to the test

I need to know  
Will I really go to hell?  
I need to know  
If we only cry for ourselves

I don't need to know  
Who kill laura palmer?  
I need to know  
What's the winning formula?

'cause it's no good  
Taking second best  
It's no good  
When you put it to the test
