I think i know what you mean  
And although it sounds obscene  
I will always do my best to understand  
You have so many words  
And your voice is always heard  
But who can say they really understand?

Real, real, real  
Do you feel real?  
And if so i'd like to know  
How to feel real real  
Do you feel real?  
And if so i'd like to know

Well you say you have a big love  
And it really sounds like fun  
If i knew what it was  
Then i'm sure i'd like to have one  
Give me a sign that you  
Feel some emotion

Real, real, real  
Do you feel real?  
And if so i'd like to know  
How to feel real real  
Do you feel real?  
And if so i'd like to know

Say what you like you know that no-one  
Really minds  
And if there's nothing to say, then  
Why don't we all go away?

Do you real-  
Do you real-  
Do you really feel real? (??)

Real, real, real  
Do you feel real?  
And if so i'd like to know  
How to feel real real  
Do you feel real?

And if so i'd like to know

But if there's nothing to say, then  
Why don't we all go away?

Real, real, real  
Do you feel real?  
And if so i'd like to know  
How to feel real real  
Do you feel real?  
And if so i'd like to know

Do you real-  
Do you real-  
Do you really feel real?
