You got the ticket babe
Yes yes yes you know
The dessert could not hold
All the love that have
In my heart for you
If I could spread it out
Across the sea
You know my love would cover it all

Ain't that a lotta love
For two hearts to have and hold

Now if the cooks in the kitchen
Had a dress is tight as yours
They would not need a fire
Ain't a word I could say
Just to describe your fine look
That I love and love and desire

Ain't that a lotta love
For two hearts to have and hold

And you got a smile
You got a kiss
You got a heart
You got a lotta love a lotta love yeah

Ain't that a lotta love
For two hearts to have and hold

Now if the bees only knew
How sweet your love was
They'd pack up their honey combs
If the birds ever heard how sweet
Voice was baby they pack up their song

Ain't that a lotta love
For two hearts to have and hold

Baby baby ain't that kindness
Woman woman ain't that a kindness
Somebody somebody tell me

We got to get it all together people
We got to bring it all together

Ain't that a lotta love
For two hearts to have and hold
