Because you're so amusing
I think I'm losing my mind
You think you're so amazing
You seem to ...?
Maybe you're just drunk and crazy

Any time I take a breath and try to say
You just get up in my face, but not today
How about enough of the shit that I can take
I've got one request

Don't break me down
Don't break me down
Can't break me down

Everyday you've got to lift up your head (lift up your head)
Everyday you've got to lift up your head and breathe

Because it irritated me
A minute feels like an hour
Is it the code (?) of the smoke
That makes you look like such a joke
Every time I take a breath and try to say
You just get up in my face, but not today
I'm tryin' my best

Don't break me down
Don't break me down
Can't break me down

Everyday you've got to lift up your head (lift up your head)
Everyday you've got to lift up your head and breathe

Everyday you've got to open your eyes (open your eyes)
You've got to realize that you're still alive
Alive

Don't break me down
Don't break me down

Don't break me down
Don't break me down
