(Ooooooohhhh. Aaaaaaaaah)

If you close your eyes,  
You will see yourself.  
All this time I've spent running away  
Was a waste of time.

Stay with me Eleanor,  
Stay with me Eleanor.  
My life's in your hands,  
I swear,  
My life's in your hands.

When that train rolls by  
I will save your life

Stay with me Eleanor,  
Stay with me Eleanor.  
My life's in your hands,  
I swear,  
My life's in your hands,  
I swear.

Stay with me Eleanor,  
Stay with me Eleanor.  
My life's in your hands,  
I swear.  
My life's in your hands

There's no reason  
To feel alone this given,  
No reason to be holding you.  
No reason to be holding you,  
You.  
No reason to be holding-

Stay with me Eleanor,  
Stay with me Eleanor.  
My life's in your hands,  
I swear.  
My life's in your hands,  
I swear.

Stay with me Eleanor,  
Stay with me Eleanor.  
My life's in your hands,  
I swear.  
My life's in your hands,  
I swear.
