"Hold On"

You tried so hard to be someone
Tat you forgot who you are
You tried to fill some emptiness
'Til all you had spilled over

Now everything's so far away
That you don't know where you are
You are

When all that you wanted
And all that you had don't seem so much
For you to hold on to
For you to hold on to
For you to belong to

When it's hard to be yourself
It's not to be someone else
Still everything's so far away
That you forget where you are
You are

When all that you wanted
And all that you had don't seem so much
For you to hold on to
For you to hold on to

Hold on
Hold on
(Hold on)
Hold on
Hold on

Hold on
Hold on
(Hold on)
Hold on
Hold on

When all that you wanted
And all that you had don't seem so much
For you to hold on to
For you to hold on to

For you to hold on to
For you to belong to
