One, Two, Three,
Take my hand and come with me,
Because you look so fine,
That I really want to make you mine.
Said you look so fine,
That I really want to make you mine.

Four, Five, Six,
Come on and get you're kicks,
now you don't need money when you look like that,
do you honey.

Big black boots,
long brown hair,
ah shes so sweet,
with her guilt back stare.

Well i could take you home with me,
But you're with another man yeah,
I Know we aint got much to say,
before i let you get away

I say are you gonna be my girl?
