Yeah

Got your rhymes going round in my head,
Got your supersonic beats mixin' up my cred'
Dance little DJ come on,
What's your name?

I wanna move, but it just dont feel right
You've been playin other peoples songs all night,
Tell me what you're tryin to say,
Whats your name?

Hey, roll over DJ,
your spinnin away, all my time
Hey, who cares what you play,
Say what ever you say, i dont mind
Hey roll over DJ, if you dont mind

Well i know you think you're the star,
An uptight copyright is all that you are,
Amazing record stack you got, i dont care
im so vein at the way you push play

we only get real people down here anyway
so tell me it aint that way
What's your name?

Hey, roll over DJ, your spinnin away, all my time
Hey, who cares what you play, say what ever you say, i
dont mind
Hey roll over DJ, if you dont mind

Yeah

Hey, roll over DJ, your spinnin away, all my time
Hey, who cares what you play, say what ever you say,
'cus i dont mind
Hey roll over DJ, if you dont mind
