Hey sweet young thing
Lives a block away
It's your sugar lips that
I could kiss all day
I climbed the stairs
To the 13th floor
If your a sweet youg thing
Come on and open the door
Open your door yeah comin
Open your I said open your door
She's not there
I said she's not there

Well I drove down the block
With my face hanging low
I hear the noise so what's goin' on
Well I sneek to the window
Peep through the glass
Everbody's dancin' and
Havin' a real good time
So have a real good time
I said have a real good
I see my chick with some guy
What about me

Hey sweet young what you doing there
Yeah whose that creep whose touching your hair
As he holds you tight I have to shut my eyes
Hey sweet young thing
You've grown very wild
I said you've grown very wild
Yeah so wild
