Timothy, I took your place
Timothy, cause it's such a waste
Timothy, we found your spaceship
Timothy, it's the farthest you've ever flown

Never used your head
To find out what this whole thing meant

It's not what it seems
But it is
Timothy where have you been?
Timothy where have you been?

Timothy, where did you go?
Timothy, the boy can throw
Timothy, we found your spaceship
Timothy, did it hurt when you hit the ground

Never used your legs
To walk round in this whole big mess
It's not what it seems
But it is
Timothy where have you been
She cried in the kitchen
To let you go
Timothy where have you been

Missed your photo
Missed your birthday too
Missed your photo

It's not what is seems
But it is
Timothy where have you been

She cried in the kitchen
To let you go
Timothy where have you been

Missed your photo
Missed your birthday too
Missed your photo
