I know that's the way I like the way it is and the way it goes.

I know that's the way I want it and I don't care, not anymore.

I open my eyes, woke up with a smile, and this is today
Great, I am okay aiking for a dear it's never to late.

I know I don't have to be with you blue could I do
I know I like the way it is to be free from cheers

I open my eyes, woke up with a smile, and this is today
Great, I am okay aiking for a dear it's never to late.

I know I don't have to wait for you to come true
I know that's the way I like to be me forever free

I open my eyes, woke up with a smile, and this is today
Great, I am okay aiking for a dear it's never to late.

I know, I know, I know, I know, I know, I know, I know, I know,
know,

I know, I know, I know, I know, I know, I know, I know, I know,
know,

I know I know, I know, I know, I know, I know, I know.....
