You are the sun
You are the rain keep falling on me
Never get enough

You are the sun
You are the rain keep falling on me
Never get enough

You are saying
You are leaving, I don't know why
You coming in my heart

You are saying
You are leaving, I don't know why
You drowning out on me

Come'on baby lets forget about the truth
Try to set my mind on somethin', oh yeah
Don't try to change me
Don't try to change me
Now... yeah... oh yeah... oh yeah...

You are the sun
You are the rain keep falling on me
Never get enough

You are the sun
You are the rain keep falling on me
Never get enough

Come'on baby lets forget about the truth
Try to set my mind on nothin', oh no
Don't try to change me
Don't try to change me now

Come'on baby lets forget about the truth
Try to set my mind on nothin', oh no
Don't try to change me
Don't try to change me
Now... yeah yeah yeah...

I won't do that thing

You don't have to change me
I've already set my eyes on somethin', oh yeah
I really won't blame you
If you walk down out the door
Because of me... yeah

Come'on baby lets forget about the truth
Try to set my mind on somethin', oh yeah
Don't try to change me
Don't try to change me now

Come'on baby lets forget about the truth
Try to set my mind on somethin', oh yeah
Don't try to change me
Don't try to change me
Now...
Yeah... yeah...

I won't do that thing
